

IB Schools of Ontario

2021-2022 Invitational Speaker Series

inquiry & student agency

Trevor will be speaking about his work in supporting schools in implementing inquiry, how to scaffold for student agency, and what strong inquiry schools do to build a culture of inquiry both for students and for teachers. Attendees will experience inquiry with Trevor. You will engage in thinking routines, ATL structures, and explore resources that you can bring back to your school and your context no matter your role and position.

with Trevor MacKenzie

Tuesday, January 25th, 2022

7:00 - 8:30 pm EST on Zoom

During this first session we will explore:

- the characteristics of the inquiry classroom
- personalized inquiry goals to push our learning forward
- types of student inquiry
- misconceptions of teaching from an inquiry stance
- co-designing with students and how to structure opportunities for teachers and students to collaboratively design learning experiences

[Register Here \(linked\)](#)

Teachers, coordinators and administrators for all IB programmes welcome!

Trevor MacKenzie is an experienced teacher, author, keynote speaker and inquiry consultant who has worked in schools throughout Australia, Asia, North America, South Africa and Europe. Trevor's passion is in supporting schools in implementing inquiry based learning practices. He is a highly regarded speaker known for his heartfelt storytelling, kind demeanour, and student-first philosophy.
